

Networking Tools Available

The members of the Business Forum make up an incredible pool of information and contacts. Every meeting we stand up and promote our own businesses and talk about referrals received and referrals given. We provide name badges for each member. We print "referral cards" quarterly for display in each member's business and to give out as we try to refer business to our members. We have invitation cards to give to our guests to remind them of the date, time, and place to join us for breakfast. Each week we email a newsletter to all members and guests summarizing the speech of the week and reporting other matters of interest. Every month we assign two members to meet for an in-person, one-on-one meeting...familiarity makes for confident business networking!
